Law Enforcement Culture

"Research has shown that law enforcement culture supports an antiquated approach to leadership and that popular generational stereotypes are not consistent with behaviors in the workplace."

Be Deliberate, Not Indifferent

- Human response is required for real problems
- Authenticity, sincerity, and humility go a long way
- Team members should be talked with, not to, or about
- Create strategies to improve relationships
- The earlier the intervention, the better the result
- Be Invaluable!
