Keynote Speaker

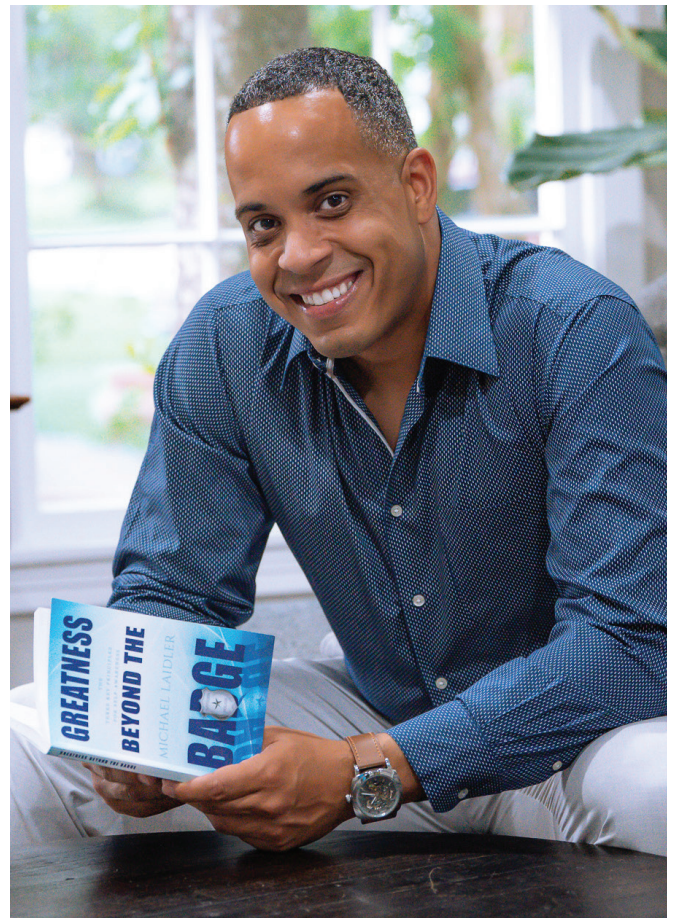

M I C H A E L L A I D L E R

Michael Laidler is a renowned Professional Speaker, Best-Selling Author, and industry expert in self-awareness, celebrated for his unwavering commitment to excellence, passion, and loyalty. His inspiring journey from living out of trash bags and experiencing homelessness to establishing an international speaking business showcases his determination and resilience. The pain of losing a baby in his arms, navigating through a divorce, and shouldering the responsibilities of being a single father all played a significant role in shaping who he is today.

With a remarkable career spanning over 18 years in law enforcement, Michael embarked on his path at just 19 years old. Throughout his tenure, he excelled in various roles, including police officer, border patrol agent, and federal prison system employee. His contributions encompassed serving as a field training officer, a valued member of the Special Response Team (SRT), K-9 handler, criminal investigator, lieutenant, and employee development manager. He has had the privilege of standing before diverse audiences, both in-person and virtually, including Fortune-listed companies, rotary clubs, chambers of commerce, human resource and project management groups, and law enforcement associations worldwide.

A prolific writer, Michael authored the best-selling book, "Greatness Beyond the Badge: The Three Key Principles for Self-Awareness," which encapsulates his profound insights into personal growth and self-awareness. Education-wise, Michael holds a master's degree in business administration from Morehead State University, as well as a bachelor's degree in business and Spanish from Florida State University. He is a certified coach, trainer, and speaker affiliated with the esteemed John Maxwell Team.

Michael's expertise shines through as he delivers transformative keynote presentations, hosts impactful leadership seminars, and conducts comprehensive 360 leadership assessments. His mission is to equip individuals in high-stress environments with invaluable self-awareness and leadership skills, enabling high-impact leaders to perform fully in any situation.

Join us for a book signing after the presentation!
