Basic Supervision

POST #10461

This course is designed to provide the student the necessary skills and knowledge to perform the formal functions of supervision to include planning, reporting, improving, directing, and evaluating (PRIDE).

It is no secret that many people, if not most, leave their jobs because of poor supervision. Thus, other topics covered in the training will address "informal" functions of supervision to include human relations concepts and skills; leadership and motivational principles; and supervisor/subordinate relationships.

Who Should Attend:

Current leaders and those who want to prepare themselves for future leadership positions in a public safety agency. Those interested in personal and professional growth.

This training qualifies for thirty-six (36) hours of POST Continuing Law Enforcement Education Credit through the Missouri Sheriffs' Association, a POST licensed continuing education provider.

This program may be canceled if registrations are not sufficient. Students are responsible for all lodging, meals, and transportation expenses.
