8:00 a.m. – 5:00 p.m.
COLE COUNTY

POST #28627

POST CLEE CREDIT

4 Hours Legal Studies
10 Hours Technical Studies
2 Hours Skill Development

CLASS OVERVIEW

The Missouri Sheriffs' Association is proud to announce an updated and expanded Less-Lethal Impact Munitions Instructor Course, designed to provide advanced training and certification for law enforcement and Corrections professionals. This newly enhanced 16-hour program builds upon our previous 8-hour course, delivering comprehensive instruction on the most current best practices, policies, and procedures for the effective and safe use of less-lethal impact munitions.

COURSE HIGHLIGHTS

- **De-Escalation and the Duty to Intervene** – Integrating de-escalation principles with less-lethal deployment.
- **Use of Impact Munitions During Patrol, Jail, and Civil Operations** – Tailored strategies for various operational contexts.
- **Selecting Impact Munition Deployment Options** – Evaluating tools for specific scenarios.
- **Tactical Control, Failure Response, and Transitioning** – Responding to deployment failures and transitioning to other force options.
- **Impact Munitions Training Safety Considerations** – Best practices to ensure safety during training and live operations.
- **Impact Munitions Policy and Procedure Development** – Guidance on creating comprehensive policies for your agency.
- **Development of Your Agency End-User Certification Program** – Establishing a robust training and certification system for end-users.

WHO SHOULD ATTEND

- Law enforcement and Corrections trainers and instructors.
- Supervisors and managers involved in less-lethal munitions deployment.
- Patrol officers, jail staff, and civil operations personnel tasked with operational planning or deployment.
- Policy developers and training coordinators seeking to enhance their agency's less-lethal programs.

WHAT WILL PARTICIPANTS GAIN?

- Be certified to train and certify end-users within their agency.
- Develop the expertise to create and implement less-lethal impact munitions policies and procedures.
- Gain strategies to incorporate de-escalation and the duty to intervene into less-lethal deployment.
- Learn how to adapt impact munitions tactics to patrol, jail, and civil operations.
- Enhance operational readiness through improved tactical control and transition planning.
